Technical Workshop

Moving ahead in its journey to improve the educational infrastructure, SGDCT formed **International Centre for Advanced Research and Studies (ICARS)** with an aim to improve interaction among college students, academicians, entrepreneurs and industry experts. ICARS (under the aegis of SGDCT) in association with **JNU, New Delhi**, conducted 3 international online science workshops on following topics:

1. **Internet of Things (IoT)**
2. **Research Tools**
3. **Security**

Each of the workshops being five days long was attended by students, academic subject experts and industry experts from around the globe. The profit from the fees collected from participants was used to distribute dry ration amongst the needy during the outbreak of Corona Pandemic.
