

Annual Report 2023-2024

At SGDCT we have a never-ending urge to uplift and help the downtrodden and underprivileged sections of the society. To help them in their day to day activities, we organized free medical camp in the slums of Seelampur, Delhi. These camps provided checkup for eyes, Thyroid, Blood Pressure and Sugar levels.

SGDCT believes that games and outdoor activities are as crucial for children as education in their early childhood and beyond. Games and outdoor activities allows children to experiment through trial and error, find solutions to problems, work out the best strategies and build new confidence skills. Keeping these objectives in mind we organized a day filled with sports activities for children of Pushta, Yamuna Khadar slum area. The children were given sports outfits along with refreshments.
